Clear and convincing evidence that the fires were NOT caused by combustable forest fire flames.  
 Bricks have been incinerated, glass has been incenerated, Steel is melted, porcelin toilets l<sub>101</sub>  
 The only explanation is DEW - Direct Energy Weapons

The City of Paradise had a population of 30,000. Most are missing.

The owner of the Power and Gas Company is a Rothschild Entity.  
 The Bilderberger Convention is scheduled to be held in this area next year.

Houses are burnt and incinerated. Adjacent to the burnt area is green vegetaion. Forrest Fire is asserted to be the cause.
